<input checked="" type="checkbox"/>	<b>Agenda Items</b>	<b>Rick Jensen</b>
	<input checked="" type="checkbox"/> <b>Position Status and Currency</b> IQCS has changed position currency status from T to U based on lapsed time. The CMB agreed to have the position currency status show T (trainee) for all time once currency has lapsed. IQCS staff will implement this decision immediately.	<b>Craig Cook</b> <b>Guy Colwell</b>
	<input checked="" type="checkbox"/> <b>IFPM</b> User acceptance testing week of May 30. Mark will develop a letter from NFAEB to the field announcing IQCS-IFPM implementation. There are no certification and accreditation issues with this functionality addition to IQCS. A new user profile will be developed for IFPM. User training is complete.	<b>Mark Koontz</b>
	<input checked="" type="checkbox"/> <b>Job Data Page and Correct History</b> Possible over use of the correct history function at the job data page may be contributing to loss of historical employee data. Agency leads agreed to have correct history turned off at the job data page. A mass email will be send to users explaining the change and providing direction. Guy will see if there are other pages were correct history maybe affecting historical employee data.	<b>All</b>
	<input checked="" type="checkbox"/> <b>IOSWT brief</b> Approval for fourteen task books was accomplished. Transition plans for new positions have been developed.	<b>Blair Young</b>

<input checked="" type="checkbox"/>	<b>Hardware Upgrade</b> Cut over is scheduled for weekend of June 3. System will be down for three days. Early testing has shown that new hardware may increase performance by ten fold.	<b>Blair Young Guy Colwell</b>
<input checked="" type="checkbox"/>	<b>IQCS User Training Material</b> Donna thanked the BLM – Chris Shelton and USFS – Terry Errecartfor assisting with the training material update. She will be emailing the agency leads four specific questions, please send responses to Rick Jensen.	<b>Donna Kreiensieck</b>
<input checked="" type="checkbox"/>	<b>Annual User Account Review</b> USFS review responses are very good. The other agencies will need to remind their users to respond. Cindy will email the reminder to the agency leads for forwarding.	<b>Cindy Schafer</b>
<input checked="" type="checkbox"/>	<b>Interagency Medical Standards – IQCS information sharing proposal</b> Kevin Jensen, Medical Standards Program Manager will be requesting approval to provide Medical Standards information to IQCS. Time line target is for 2007 fire season. There would not be an interface. A simple periodic “data dump” is being considered.	<b>Rick Jensen</b>
